Windswept Mountain View Christmas Tree Farm

September 10 at 2:28 PM ·

Greetings to family, friends and customers

We hope that this information finds you happy and healthy during these trying times. We know things will be different this year and may disappoint some but the health and safety of our family, farm employees and customers is our number one priority. This post is long but please read through it all to prepare for your trip to the farm.

OPENING WEEKEND IS SATURDAY 11/14/2020 AND SUNDAY 11/15/2020. We will be open every Saturday and Sunday until our closing day on Saturday 12/19/2020. We will be open the Friday after thanksgiving as usual.

Farm hours are shortened to give us extra time to clean and prep for the day- 10am to 4pm

There will be NO PRE-TAGGING this year

NO HAY RIDES, tractor rides or rides up by the staff in the side by side. Strictly walking farm only.

Wreath update to come.

MASKS ARE REQUIRED IN THE BARN AND ANYWHERE SOCIAL DISTANCING GUIDELINES CANNOT BE FOLLOWED.

While enjoying your time outdoors on the farm we ask that you stay with your party and not separate.

The Elves' Nook Christmas Barn will have limited inventory, limited occupancy due to limited space and we will not be able to provide hot beverages. Candy canes will still be passed out for our farm friends to enjoy when they are back to their cars or outside and safely distanced.

This year we will be offering FRESH precut trees from our farm in hopes it speeds up the process of selection for some.

Limited blocks of trees will be open this year for harvesting, cutters will be stationed throughout to help when you find the one

There will be NO SHAKING OR BALING of trees to help minimize congregating and encourage safe social distancing

Our staff will be regulating parking and when parking is full we will not be able to allow other guests to come up the driveway until others leave. When parking is full we encourage you to do a loop around town and come back to check in with the staff member at the bottom of the drive way. The town does not want lines formed down the road, please refrain from doing this.

We realize that the policies for this year are very restrictive and probably will not be received well by some. We strongly considered not opening this year but know the importance to some of harvesting a tree and keeping the traditions of Christmas.

We appreciate your understanding and cooperation during these trying times. Please work with us while we learn as well, this is just as new to us as is you. We thank you all for your time reading through this as well as your past and future business
